The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
Washington, DC 20515

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the “Social Fabric” Community Center project in fiscal year 2024. The entity to receive funding for this project is Colorado Asian Culture and Education Network, located at 14015 E Evans Ave, Aurora, CO 80014. The funding would be used for building renovations and build-out of Colorado’s first Asian American “Social Fabric” community center. The project is an appropriate use of taxpayer funds because the center would serve as a central hub to offer services to the existing AAPI community as well as the expanding immigrant and refugee communities. The community center would provide health care, educational resources for both youths and adults and other community economic opportunities.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
